A wonderful final event in Kaitaia with 141 heading dogs in action over 2 days. Murray Child and Dice had an excellent run, closely followed by Bob Berger. Northlanders Merv Cameron, Les Child and Grant Smith also featured in the runoff. The sheep were good, but unforgiving if a mistake was made by man or dog. Many thanks to all the sponsors, to those competitors that travelled North, to Landcorp for the sheep and to the many volunteers that are essential to making such an event work. A big thanks to Merv and Gail Cameron for running such a wonderful event for so many years, it was also very fitting that Merv made the North Island runoff with Queen.
