Thank you to all the competitors for supporting our trial. We had some trying conditions with a thunder storm hitting us as we finished the runs on Sunday and continuing through most of the run off.

The sheep were big and bold which proved difficult for some but the dogs that got along with them, made it look easy. Great Maiden entries this year which was good to see. Congratulations to all our winners and placegetters in both events.

The new grounds at Mahoe Farm were a great success. A huge thanks to Vaughan and Jen Marfell for the use of all their facilities and the sheep too.

To our committee members, thanks for putting in all the hours you did to make this trial possible, we couldn't do it without you. Thanks everyone for your support over the years.

Last, but not least, huge thanks to our awesome sponsors – Purina TUX, Grassendale Genetics, Reisima Transport – Masterton, AFC Motorcycle – Pahiatua, Hatuma Lime Company – Mauriceville, WLT – Masterton, Vet Services Wairarapa, Keinzley – Eketahuna, Farmlands – Masterton and Shearwell.
