**COMMENTS** *2 days of long awaited fine hot weather. Unfortunately meant no maiden competitors due to work commitments. Thank you to Mark and Robyn Copeland for the use of their big bold Border 2 tooths. They worked very well but could take prisoners on small mistakes. Thanks also to the King family for their continued work to organise the event at the show and the volunteers that made themselves available to work and liberate the sheep. To Rural Transport for their ongoing support. Big thank you to Raro for spending the 2 days at the show on behalf of our major sponsor TUX.*
