COMMENTS

Huge entries, great venue. Bernard & Maree Arends were wonderful hosts and put in a humungus amount of work leading up to and during the event. Lindsay & Wendy Schmidt former Wanganui Centre members also put in long days along with other Wanganui people who travelled over to work sheep and help out during the trial. To all those that helped big THANK YOU. It was wonderful just to have a dog trial happening after the COVID 19 lockdown that saw hill trials cancelled all over the country from mid March.
