COMMENTS; *Ground conditions went from wet to, improved over the two days at Mandeville. Held on same course as past few years only now belonging to new owners. Big thanks to the Tulloch Family for allowing us to continue at this lovely venue. Thanks to the farm manager Greg Boxer for the use of very good 2 tooth ewes, his support towards our event is much appreciated. Thank you to the team of agents from South Pacific Meats who supplied and barbequed amazing meats throughout both days again. Thanks to TUX for their continuing support.*
