2	Jemma Bicknell	Midge	88
3			

There were 42 handy dogs battling it out in this event, which is a good number for a Northland Tux! Many thanks to those who helped run the course, to Duncan Gilligan for keeping things running smoothly and to Colin Jay for his countless hours put in. A big thanks to those who travelled north, to the judge, to Landcorp for the sheep and to all other volunteers.
