**COMMENTS**

Heavy entries were received but several competitors from Northland and Auckland had to withdraw due to Covid restrictions. People were happy to be out and competing once again and grateful to be able to do so under Level 2. A total of 76 competitors attended.

It was great to see so many new Maiden competitors having a go. Thank you TUX, Dion Mathieson Manager of Taringamotu Otamakahi Trust Farm, our superb catering team and all of our phenomenal workers.
