The two day Tux Handy dog Event held at the Taringamotu Otamakahi Trust Farm in Taumarunui has again been most successful. 76 dogs ran with 16 of these run by maiden competitors. A run off between the 2 top pointed maidens from each day revealed two up and coming capable dog handlers. The sheep worked quite consistently, their presentation was a credit to the management of the trust farm. In this event, we managed to dodge the foul weather that hit the Yarding challenge.
