Comments: Kevin Ashworth's very good Corriedale lambs made for a great Handy dog trial at Springbank Farm, they took no prisoners but were honest. Very good entries again this year with even more young competitors having their first crack at the event and getting hooked, 14 Maidens entered this year. Vanessa Bragan and Mint won their Maiden here last and have gone on to be placed in this year's Open run-off. Great work from this clever Dog who competes in both the Handy and Yarding. Huge thanks to Chris and Ali Calder for being great hosts yet again and many thanks also to all the members of Levels, Hilton-Gapes and Mt Nessing Collie Clubs who did so much toward, and during the event. Many thanks to Clarkie for judging the trial and of course to Kevin Phillips as his International Timekeeper. None of these events happen without the input of many people, too many names to mention, but I blanket thank you all.

Thanks to our major sponsor PURINA PROPLAN TUX and to all the local sponsors that contributed to the success of our event with this year's chosen charity being the South Canterbury Hospice.

Neil Evans with Spice, Robin McKenzie with Tank and 1st Maiden - Amy Duckworth with Base all go through to the South Island Final at West Otago Show, Tapanui – 19th / 20th November.
