Comments:

The HB dog trail season kicked off early at Petane over the weekend. It was a couple of hot days with lots of competitors from far and wide. It has to be said it was a very successful trial with very good sheep on all courses. A massive shout out to everyone who was involved in making it happen – Jon Douglas and his crew at Ahuriri Lagoon Farm and the Ginger Ninja and all the Petane club

members that gave up their time at this busy time of year to make it all happen. Special mention must go to club secretary Ange Jury for all she does and also a big thanks to the ladies in the cookhouse, Cheers!

With the sheep being so good it was no surprise to see some very good runs, Laurence and Selwyn both had exceptionally good runs to win the long and short head respectively.

Tom Manson had a very good day, winning the Zig and 4<sup>th</sup> in the Straight with Chief. Tom also won the Intermediates and Maidens with him in both hunts too. Neil "Herc" Manson was there to watch his boys success and duly celebrated by knocking back a bottle of whiskey. As you can imagine big Herc was the life and soul of the party, cheering and yahooping as only Neil can!!

Testament to the quality of the sheep was the fact that even "Mirror Boots" Prouting managed a sneaky 5<sup>th</sup>! I bet Tony heard about it all the way home!

Dan McJury showed his local knowledge when he won the straight. It looked to me to be a very good run, just a bit hard to see at the top due to the fact it was getting a bit dark!!

Waikoau next on the 29<sup>th</sup>/30<sup>th</sup> January,

See you all there.
