COMMENTS: *Congratulations to Peter Williams with Guide taking out the top prize and well done to all our finalist in which turned out to be a very good run off with top runs! Overall we had a very good trials, 217 dogs run, sheep worked well and the weather was kind. Thank you to all our competitors who travels from afar as Northland and Gisborne who support us every year. Good to see them in the final. A Big thanks you to our centre present Paul Evans who does a great job rounding up the crew and organising everything every year!*
