COMMENTS

The King Country regional Tux Yarding Challenge took place at the scenic venue on Taringamotu- Otamakahi Trust station Taumarunui. The 600 hoggets had been very well prepared and overall were consistent, ensuring a fair competition for competitors. Again we had a good number of maiden competitors. Entries were high with 208 runs completed. Many thanks to Barry Takawe the land manager, (who retires next month) for his great support over many years. Thanks also to sheep steward Nicola Rowlandson and her team for a job well done.
