Comments

A great NZ final won by Andy Clark for the second year in a row over the local Tahi Doonan. Kate White won the Maiden/Novice final with a very tidy display.

Thank you to the Richmond family for the use of their property, facilities and romney 2 tooth ewes that kept our finalists honest. To Duncan Roberts (convenor) and his dedicated team that ran a very organised event, well done. Thanks to Brian Wilson and Annette for judging the Handy event in very warm weather over the 3 days.

Thanks to TUX for their on going support. Also, to the other local businesses for supporting the event.

Congratulations to all the competitors on their success. Many who have travelled long distances to support the Handy event. It was wonderful to see the big smiles on the faces of the young people who succeeded throughout the 3 days.
