Comments: The welcome 50+ mm rain did not dampen the atmosphere at the Northland Centre Champs at Omamari with a record turnout of dogs in all events. The sheep were presented in good order and generally worked well across all courses. Many thanks to our judges who travelled so far. A big 'thank you' to the Miller family for the use of their land and sheep and also to the many volunteers involved on, and prior to, the event. There was also a large list of sponsors that really helped make the event a success.
