Sixty four dogs competed in the King Country regional heat of the Tux Handy dog at Taumarunui. The sheep were very manageable resulting in some very good runs. King Country was well represented in the run off by competitors Baker, Jones, Sinton, and Walker.

Charity trial President, John Petersen, acknowledged Barry Takawe (the manager of the Taringamotu Otamakahi Trust Farm) thanking him for the support, cooperation and service he has given the Charity Dog trial over the years and wished him the best in his retirement.
